48 HOURS MYSTERY

04/07/07 **48 HOURS MYSTERY: "The Ghost of David Coffin"** - In December 1996, Atlanta resident David Coffin, having spent the weekend with his girlfriend, Megan Lee, returned home to find his house ransacked and his Porsche stolen. Two days later the burned remnant of his body was found lying on its back in the charred remains of his home -- the intensity of the fire had left no immediate clues to the cause of his death. Meanwhile, on that same night, Megan Lee's estranged husband, Scott Davis, claimed he himself had been attacked by an assailant who warned him to stay away from Megan and who then tried to set Davis' house on fire. When interviewed by police, Davis said that he had not shot Coffin -- which immediately made him a suspect, as police did not know at that point just how Coffin had died. Davis was arrested for murder, but with no physical evidence linking him to the crime, all charges were eventually dropped. Nearly ten years later, after Davis tried to run for Governor of California, and because of the persistence of David Coffin's father, the Atlanta Police Cold Case Unit reviewed the case against him. He was arrested again and charged with murder. During the trial, jurors heard from Megan Lee about their failed marriage; his fixation with David Coffin; and his incriminating statements, both to Megan Lee and the police, about how David Coffin died. Despite the alibi provided by the testimony of his father, Dr. Dave Davis, a forensic psychiatrist, Scott Davis was convicted of murder and sentenced to life in prison. He maintains his innocence; his attorneys plan an appeal. (C: Maureen Maher - P: Allen Alter, Gail Abbott Zimmerman, Daria Hirsch)

04/14/07 **48 HOURS MYSTERY: "The Puppet Master"** - A report on the marriage of Heather and Ron Samuels, who, even after divorcing, were involved in a bitter custody battle. In October 1997, newlyweds Heather and John Grossman were shot at while driving. John survived the shooting but a bullet severed Heather's spinal cord, leaving her a quadriplegic. Heather was immediately certain that ex-husband Ron was involved in the crime, as he had once threatened to make her pay for leaving him. Investigators were able to track down three men who they believed were involved in the assault: Hugh Estess, the car owner; Eddie Stafford, the driver, and Roger Runyon, the shooter. Also implicated was Geoff Pollock, who was present at meetings when the crime was discussed. Ron Samuels was named as the man behind the crime - the puppet master. In exchange for complete immunity, police got the co-conspirators to acknowledge Samuels' lead role in the crime. Before Samuels could be arrested, he fled to Mexico. He ran afoul of the law there when police found six kilos of cocaine in his car. He was imprisoned and, five years later, still proclaiming his innocence, he was extradited to the U.S. to stand trial for the attempted murders. He was found guilty of all charges and sentenced to life in prison for the attempted murders, plus an additional 120 years for the other charges. The court ordered Samuels to pay Heather restitution, but he claims that he's broke. Investigators are tracking any remaining assets. He is planning to appeal his conviction. - 04/21/07 **48 HOURS MYSTERY: "Nightmare In Napa"** - an updated report on the October 2004 murders of former beauty queen Leslie Mazzara and her roommate, Adriane Insogna, in the upstairs bedrooms of their Napa, California home. A third roommate, Lauren Mianza, sleeping downstairs, was not harmed and was the only witness. After almost a year's investigation, one clue -- the discarded butts of Camel Turkish Gold cigarettes found at the scene -- led to Eric Copple, the husband of Insogna's best friend, Lily Prudhomme. Copple made admissions to the police that linked him to the crime. He was expected to stand trial in 2006 and could face the death penalty. **Update:** Copple and the District Attorney reached a deal and he pleaded guilty to two counts of first-degree murder, which spared him the death penalty. In January 2007, he was sentenced to life in prison without the possibility of parole. He forfeited all rights of appeal or clemency. - 04/28/07 **48 HOURS MYSTERY: "Murder In The Fast Lane"** - an updated report on the March 1988 murder of legendary racecar driver Mickey Thompson and his wife Trudy. Colleen Campbell, Thompson's sister and former mayor of San Juan Capistrano, CA, is convinced that Michael Goodwin, her brother's former partner, was the killer. Goodwin, earlier accused by Mickey Thompson of stealing hundreds of thousands from their business, denied that he hired two hit men to commit the murders. He claimed that Campbell used her political influence to make him the prime suspect in the criminal investigation. He was arrested in December 2001 and was to stand trial in the summer of 2002. **Update:** After two and a half years, the case against Goodwin was dismissed by Orange County, but he was rearrested by authorities from Los Angeles County, who held him for another two and a half years. After five years of being held without bail, Goodwin went on trial in Pasadena, CA - eighteen years after the murders. He was found guilty of first degree murder and sentenced to two consecutive life terms, with no chance for parole. He plans to appeal based on his inability to present other possible suspects. 48 HOURS MYSTERY

- 05/05/07 **48 HOURS MYSTERY: "Power, Passion and Poison"** - a report on the death of 50-year-old Kathy Augustine, a career politician from Nevada. Questions arose about the cause of her death after police received a tip from her husband's co-worker that she may have been poisoned, and toxicology reports further confirmed the presence of the powerful paralytic drug Succinylcholine. That discovery led to further questions about the death three years earlier of her estranged husband, Charles Augustine; her subsequent and immediate marriage to Chaz Higgs, a nurse who had cared for him, and if politics played any part in her death. Upon further investigation, Chaz Higgs was arrested and charged with the murder of Kathy Augustine. He is currently free on bail and his trial is scheduled to begin next month. Nevada authorities are no longer investigating alleged threats against Augustine by political enemies. Includes interviews with Augustine's parents, Phil & Kay Alfano; Reno Police Detective, Dave Jenkins; Charles Augustine's sons from a previous marriage, Larry and Greg. On Sunday of the 2005 Thanksgiving weekend, Catherine was savagely murdered. The two men became suspects in her murder and it was then that her exotic dancing career came to light to the police and to her family. Police concluded that Paul Cortez, due to his jealous nature, was the prime suspect. He was arrested and ultimately convicted of Catherine's murder. He was sentenced to 25 years to life. Attorney Nathan Dershowitz is planning an appeal, claiming hair and other forensic evidence was never thoroughly tested. Included are interviews with David Haughn; Paul Cortez and his mother, Yvette Cortez; and Catherine's parents, Jon and Donna Woods. (C: Erin Moriarty - P: Patti Aronofsky)

They were all found on November 20, 2006, in a ditch, facing east, without their shoes on near the Golden Key Motel on the outskirts of Atlantic City, NJ. Police suspect a serial killer but clues in the case have led to little information. As of now, no one has been arrested or charged in the homicides. A person of interest, Terry Oleson, a handyman who lived at the motel and worked odd jobs to pay the rent, has been arrested for an unrelated offense - videotaping a minor in the nude with a hidden camera. His house has been searched and he has now been asked to provide DNA samples. (C: Harold Dow - P: Miguel Sancho)

Then, on Jan. 15, 1999, Miriam was fatally shot as she stood in front of her kitchen window. Because Miriam had filed for divorce from her husband, investigators theorized that Richard Illes was responsible. Eventually, the killer's gun and sneakers were found not far from where Dr. Illes had been on the night of the murder. Illes had married his assistant and moved to Spokane, Washington, where he was finally apprehended and arrested. Upon searching Illes' home in Spokane, police found a manuscript in his computer entitled "Heart Shot: Murder Of The Doctor's Wife." A jury found Illes guilty of murder in the first degree. He maintains his innocence and is appealing his conviction. (C: Susan Spencer - Sr. P: Anthony Batson - P: Paul F. Ryan, Martin Zied, Lourdes Aguiar) No individual segment titles were used in this episode. (OAD: 01/08/05 with an update.)

48 HOURS MYSTERY

06/02/07 PREEMPTION

06/05/07 **48 HOURS MYSTERY: "Love And Lies"** - a report on the investigation into the apparent December 2004 suicide of Jennifer Corbin, a wife and mother living in Buford, Georgia with her husband Bart and their two children. A subsequent phone tip suggesting that police re-investigate the apparent suicide in 1990 of another Georgia woman, Dolly Hearn, led to the discovery that Bart Corbin had been Hearn's boyfriend and that she had broken up with him just before her death. Jennifer Corbin, involved in an online romance, had told her family that she was planning to leave Bart. Bart was arrested for the murder of both women. When Richard Wilson, a friend of Bart's, admitted to police that he had given Bart the gun which was found beside Jennifer's body, Bart admitted that he had killed both Dolly and Jennifer. He was given two life sentences, to be served concurrently, and could be eligible for parole as early as 2020. (C: Pater Van Sant - P: Loen Kelley - Jenna Jackson) (OAD: 02/03/07)

48 HOURS MYSTERY (continued)

- 06/09/07 **48 HOURS MYSTERY: "Dark Voyage"** - a report on events surrounding the mysterious death of aspiring actress Ashley Barnett on the cruise ship "Paradise" in October 2005. Two autopsies concluded that "the toxic effects of methadone" had killed Ashley, who was not a drug user. Includes interviews with her boyfriend, Geoff Ginsburg, who was trying to break his vicodin habit with some methadone he had smuggled onto the ship in an over-the-counter cold medicine bottle; her mother, Jamie Barnett; Allie Twest, a friend of Ashley; John Debney, film composer and friend of Ashley; Dr. David Posey, who performed an autopsy on Ashley. Also includes comments by Maureen Smith, whose son George Smith disappeared from a cruise ship in the Mediterranean in July 2005. (C: Bill Lagattuta - Sr. P: Nancy Kramer - P: Mark B. Goldbaum, Abba Potkin Rabhan, Melissa Sanford) (OAD: 09/23/06 with an update.)
- 06/12/07 **48 HOURS MYSTERY: "Caught in the Crossfire"** - Charla and Darren Mack of Reno, Nevada, were a married, childless couple who were swingers - they liked to attend group sex parties. But after their daughter Ericka was born, Charla was no longer interested in swinging. The marriage began to crumble. Charla filed for divorce; they fought over their daughter and over money. Family court Judge Chuck Weller, perceived by many to be biased towards women in family disputes, ordered Darren to pay Charla a lump sum of \$480,000 and, over the next five years, \$10,000 a month in spousal support. On June 12, 2006, a bullet was fired through the window of Judge Weller's chambers, spraying him with shrapnel. Shortly afterwards, police found Charla's dead body at Darren's condo. Darren had fled to Mexico. On June 22, he turned himself in to the police and was brought back to the United States. He was charged with the murder of his wife and the attempted murder of Judge Weller. The trial will not begin until later this year. Charla's mother and Darren's mother are battling over custody of Erika, who is currently living with Charla's mother. Prosecutors will not seek the death penalty for Darren Mack. Includes interviews with writer Amanda Robb; Michael Small and Dan Osborne, friends of Darren; Detective Ron Chalmers; Ann Mudd and Christine Libert, friends of Charla. (C: Troy Roberts - P: Mary Noonan Robichaux, Mark Goldbaum, Lourdes Aguiar, Mead Stone) (OAD: 02/24/07 with an update.)
- 06/16/07 **48 HOURS MYSTERY: "Murder on Lockhart Road"** - a report on the ongoing investigation involving David Camm, a former Indiana state trooper, who was found guilty in 2002 of the September 2000 triple homicide of his wife and children. (Includes portions of "The Alibi", OAD: 10-11-02) Camm's conviction was reversed in 2004. In the meanwhile, after previously unresearched DNA evidence and a palm print found at the crime scene were run through a databank of convicted felons, a new suspect was found: Charles Darnell Boney. Boney had been released from prison just months before the murders. In 2005, Boney was arrested, resulting in charges against Camm being dismissed. But Camm was arrested minutes later for the murders, due to the belief by the prosecution that he and Boney acted together. They were tried separately and in January 2006, Boney was convicted for the homicides and sentenced to 225 years in prison. In March 2006, Camm was found guilty of murdering his wife and children and was sentenced to life in prison without parole. Boney and Camm are serving their sentences in separate prisons, two hundred miles apart. (C: Richard Schlesinger - P: Marcelena Spencer, Shoshanah Wolfson) (OAD: 12/09/06)

48 HOURS MYSTERY (continued)

- 06/19/07 **48 HOURS MYSTERY: "The Ghost of David Coffin"** - In December 1996, Atlanta resident David Coffin, having spent the weekend with his girlfriend, Megan Lee, returned home to find his house ransacked and his Porsche stolen. Two days later the burned remnant of his body was found lying on its back in the charred remains of his home -- the intensity of the fire had left no immediate clues to the cause of his death. Meanwhile, on that same night, Megan Lee's estranged husband, Scott Davis, claimed he himself had been attacked by an assailant who warned him to stay away from Megan and who then tried to set Davis' house on fire. When interviewed by police, Davis said that he had not shot Coffin -- which immediately made him a suspect, as police did not know at that point just how Coffin had died. Davis was arrested for murder, but with no physical evidence linking him to the crime, all charges were eventually dropped. Nearly ten years later, after Davis tried to run for Governor of California, and because of the persistence of David Coffin's father, the Atlanta Police Cold Case Unit reviewed the case against him. He was arrested again and charged with murder. During the trial, jurors heard from Megan Lee about their failed marriage; his fixation with David Coffin; and his incriminating statements, both to Megan Lee and the police, about how David Coffin died. Despite the alibi provided by the testimony of his father, Dr. Dave Davis, a forensic psychiatrist, Scott Davis was convicted of murder and sentenced to life in prison. He maintains his innocence; his attorneys plan an appeal. (C: Maureen Maher - P: Allen Alter, Gail Abbott Zimmerman, Daria Hirsch) (OAD: 04/07/07)
- 06/23/07 **48 HOURS MYSTERY: "Secrets In The Sand"** - On August 17, 2002, 27-year-old April Barber, while walking along a Florida beach in the company of her husband Justin, was fatally shot. Justin himself sustained four bullet wounds in the incident, which he described as an attack by an unknown assailant. In July 2004, after an extended investigation, Justin Barber was arrested for the murder of his wife. At his trial in June 2006, he was found guilty of first degree premeditated murder, and sentenced to life in prison, without parole. His family hired a private investigator to re-examine the murder of April Barber. Includes interviews with: Justin Barber; Detective Howard Cole, St. John's County Sheriff's Office, Florida; Patty Parrish, aunt of April Barber, and a judge in Oklahoma; Amber Mitchell, April's best friend; Linda Barber, mother of Justin; Matt Foxman, Florida State prosecutor; Bob Willis, Justin Barber's attorney. (C: Harold Dow - P: Sara Rodriguez, Tamara Weitzman) (OAD: 01/30/07 with an update.)
- 06/26/07 **48 HOURS MYSTERY: "Memory of Murder"** - In November 2004, Bethlehem, New York couple Peter and Joan Porco were brutally attacked in their bed with an ax. Peter died at the scene. Joan survived and, although initially unable to speak because of her wounds, she nodded "yes" when a detective on the scene asked her if her son Christopher was their attacker. Afterwards, when she had recovered from the attack, Joan said she doesn't recall that nod and that Christopher is innocent. 48 HOURS follows the police investigation into the case, leading to Christopher Porco's trial and conviction. Includes interviews with: Mike McDermott, chief prosecutor, Albany County; Chris Bowdish, detective; Christopher Porco; David Rossi, prosecutor; Laurie Shanks, lawyer; Terry Kindlon, lawyer; Dr. Mary Dombovy, neurologist. (C: Peter Van Sant - P: Patti Aronofsky, Katherine Davis) (OAD: 11/04/06 with an update.)

CAKE is a live-action show-within-a-show about a teenage girl by the name of Cake, who, with the help of three friends, produces a cable access show. The series is designed to provide the viewers with two integrated levels of educational and informational experiences. On one level, each episode provides actual instruction regarding specific activities, with hands-on examples related to the design and use of various fabrics, the making of clothes, the crafting of useful home, school, play, and household items, and other forms of creative expression. The other level in the episode provides an opportunity for the viewers to learn about social and emotional themes such as the value of honesty, the importance of personal worth and self-esteem, the meaning of friendship, the value of having a healthy life-style, and other prosocial concepts that are developmentally appropriate for this age-group. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. We will be airing this program on both our analog and digital channels.

<p>DANCE REVOLUTION is designed to provide preadolescent and early teenage boys and girls with an opportunity to both view and participate in a dance competition-style series in which their creative talents and skills are demonstrated in a kid-friendly environment of artistic expression. Within this music and dance environment, the viewers will be able to learn how their peers plan, design, and execute various forms of choreography; observe how young people handle the social requirements associated with mastering various forms of dance within the framework of a competition; understand the personal dedication and physical commitment necessary for this field of artistic expression; and learn how to evaluate their own skills and career aspirations as they observe the participants in the series work with seasoned professionals in various areas of dance and the creative arts. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>Care Bears are a group of funny, colorful bears, each with a special way of caring and a belly badge, which unleashes that bear's special caring power. The bears use their caring hearts and their belly badges to help each other and to thwart the evil plots of Grizzle, a bad bear with his own flying lair. Each Care Bears episode is designed to foster children's "emotional intelligence," defined by psychologist Daniel Goleman and other researchers as skill in five areas: knowing one's emotions; managing one's emotions; motivating oneself; recognizing emotions in others; and handling relationships. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. We will be airing this program on both our analog and digital channels.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming			

In this series, Strawberry Shortcake, a curious, self-confident leader, narrates stories of her and her friends' adventures in the richly-imagined world of Strawberry Land. Using her many positive qualities, Strawberry helps her friends, who share her values but not necessarily her ability to take a broader view, to see beyond their own self-interest. The themes of the stories are designed to have particular relevance for young viewers, focusing on such issues as friendship, fear, self-confidence, sportsmanship, trust and shyness. The pro-social messages flow naturally from the narrative, as the characters experience concrete (positive and negative) consequences of their actions. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. We will be airing this program on both our analog and digital channels.

17. Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other non-core educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. §73.671, NOTES 2 and 3.

For the weekend of April 28-29, 2007, the CBS Television Network preempted MADELINE, SABRINA, TROLLS, CAKE and DANCE REVOLUTION in order to schedule five additional episodes of HORSELAND, in order to increase children's awareness of this educational and informational children's program. Consequently, on April 28th, WTVF preempted MADELINE, SABRINA, TROLLS, CAKE and DANCE REVOLUTION, regularly scheduled at 9 AM, 9:30 AM, 10 AM, 11 AM and 11:30 AM and broadcast five additional episodes of HORSELAND in their time periods. In February 2002, CBS received an informal opinion from FCC staff that the preemption of regularly-scheduled E/I programs in circumstances like these would not present a problem both because the rules anticipate some preemptions and because the preemptions are for other E/I programming.
